**Notice Regarding United States Bankruptcy Court for the Northern
District of Florida Operations**

Friday, September 27, 2013

In the event of a federal government shutdown at midnight on September 30, the United States Bankruptcy Court for the Northern District of Florida will continue operations and remain open during regular business hours in all divisions (Pensacola and Tallahassee) on Tuesday, October 1, 2013. The Judiciary receives non-appropriated funding outside of appropriated funding from Congress and can continue its normal operations for a short period of time. With these non-appropriated funds, we anticipate and estimate that the Judiciary can continue operations for two weeks without a final budget for fiscal year 2014 or a continuing resolution authorizing and providing funding for an interim period. Should this status change, we will update this Notice.

In the event there is no federal government shutdown, we will likewise continue operations and remain open during regular business hours in all divisions.
